

Overgange

The icon depicts a transition between two subjects. On the left is a blue book with 'MATEMA' (part of 'Matematika') and a geometric diagram. On the right is a red and white Danish flag. A purple circular arrow connects them, indicating a shift or exchange.

OVERGANG

The icon shows a transition between two states or objects. An orange circle on the left and a green circle on the right are connected by a purple curved arrow pointing from the orange to the green circle.

OVERGANG

The icon features a purple circular arrow forming a continuous loop, symbolizing a cyclical process or a continuous transition.
